## MY BEST QUALITIES

Enthusiastic	Team-worker
Resourceful	Humble
Creative	Friendly
Reliable	Diligent
Empathetic	Empowering

## EXPERIENCE

Since my first year at university, 2019, I have been participating in most IATEFL-Hungary organised events, such as the creative Cafés and the Winter Warmers. I was a volunteer in the 2022 Winter Warmer, where I helped with the operation of Zoom. In 2022, I had the opportunity to join the Summer Camp in Badacsony, and to partake in the autumn Conference in Siófok, where I helped out the student volunteers.

## MY GOAL

I always look for new challenges and opportunities to grow and learn. I learn fast and I give my full energy to the projects I am involved in.

IATEFL has already provided me with a lot, both personally and professionally, and I would like to be involved in a team, where I can contribute to the community.

Dear Committee,

I am writing to you regarding the latest call for applications. I would like to apply to be a member of the organising committee.

IATEFL-Hungary holds a special place in my life. Since my first year at university, I have been participating in most events organised by IATEFL-Hungary, which helped me to develop professionally as well as personally. I had the opportunity to join the 2022 Summer Camp in Badacsony and I was a student speaker with Patrícia Szakály in an online creative café, where we talked about our experiences as teacher trainees and our outlooks for the future.

I think that I am creative, reliable, and resourceful, which are qualities I proved at more conferences and creative cafés as a volunteer and even as an outside helper. I am enthusiastic, and energetic, which I aspire to channel into the projects I work on. I learn fast and I am a team player but I can work individually too.

Considering my skills, collaboration, effective and empathetic communication, time management and strategic planning are my strengths. I can use various programmes and platforms to create digital visuals.

I aim to further develop my skills while contributing to the community with my work and ideas like with the help in the organisation of creative cafés in Veszprém. I hope to be a productive member of the organisation team where I can support the people.

I would be delighted if had the opportunity to become a part of the team. I appreciate your time and consideration.

Sincerely,  
Csenge Johanna Nagy
